

**2016 IPDA
“MENDOZA DEBATES
AT LEE COLLEGE”**

Dear Colleagues,

On behalf of Lee College, the faculty of the Division of Speech Communication, Languages & Teacher Education, and the competitors of the Lee College Debate Team, I would like to cordially extend an invitation for you to attend the **2016 “Mendoza Debates at Lee College” in Baytown, TX on September 16-18, 2016.**

The competition will feature both TIPDA and IPDA (Novice, Junior Varsity, Varsity, and Professional) in a single kickoff weekend. There will be SEVEN preliminary rounds of individual competition on Saturday. We hope to offer you a fun and educational weekend of forensic competition to kick off the 2016-2017 IPDA competition season.

All entries must be received by **Tuesday, September 13, 2016, at 5:00 pm.** They may be emailed to Joe Ganakos at jganakos@lee.edu or phoned to **281.425.6502**. Changes will be accepted without charge until **Wednesday, September 14, 2016 at 12:00 p.m.** at which point fees will be set. Late fees will be charged for any changes after the 15th at noon (in addition to any fees associated with the entry).

We'll be serving complimentary pizza on Saturday, available between rounds III and IV, and we believe the schedule will permit you all to have a reasonable end time that evening. Our hope is that this will be an excellent chance for colleges and universities in the mid-South to have an accessible option for your novices to have their first tournament experience and for your varsity competitors to get into their groove.

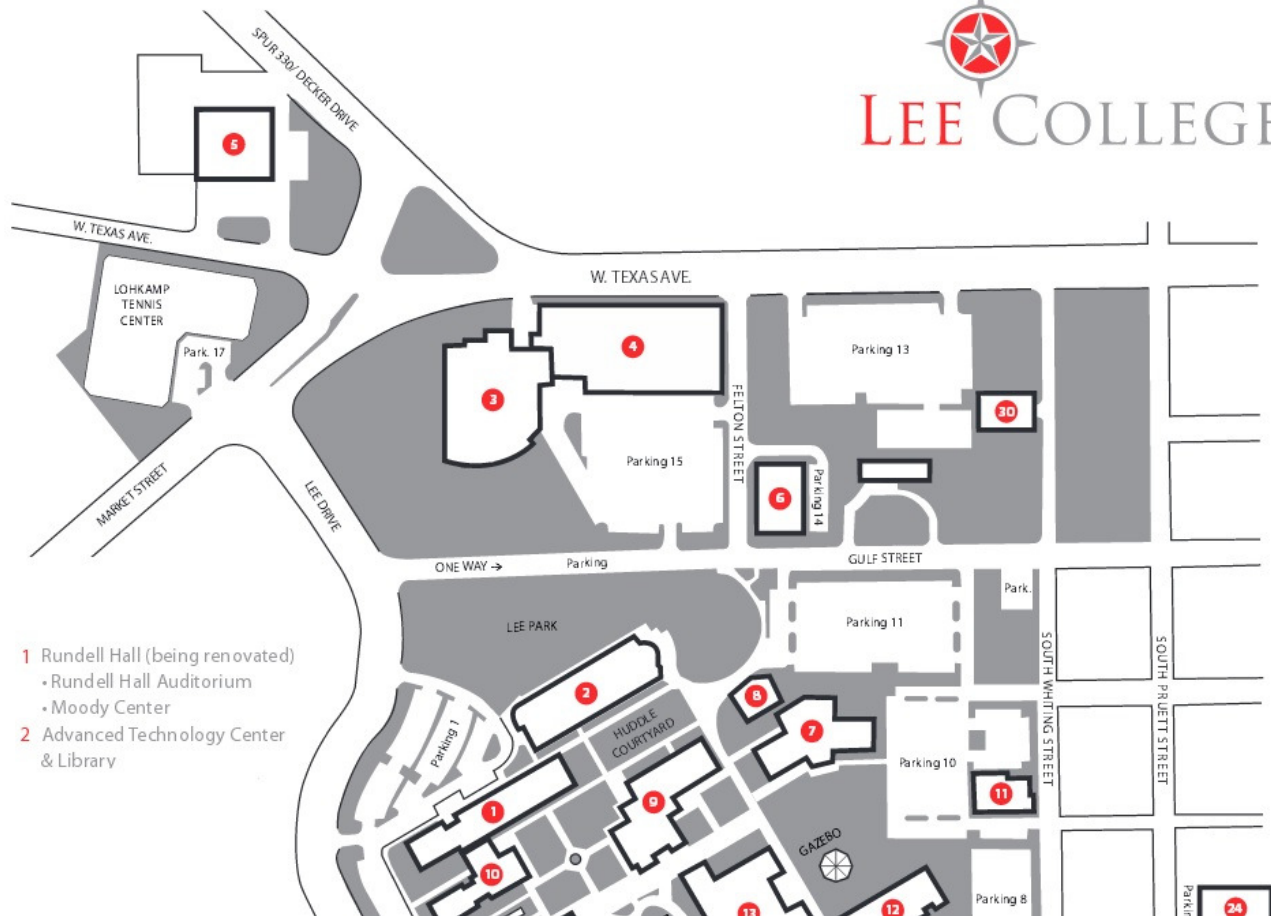

Bob Alexander of BPCC will be serving as tabulation room director and we expect a large pool of judges from the Lee College faculty and student body to help keep the tournament running on time and your judging commitment light. Pre-tournament updates will be distributed via the IPDA Listserve and Guidebook.

In the pages that follow, you'll find all the details for the “Mendoza Debates at Lee College”. If you have questions, please feel free to contact me at any time.

Cordially,

Joe Ganakos
